

Overseas Travel Costs: April 2015 to June 2015

Expenditure on overseas travel by Audit Scotland is mainly incurred through the sharing of our professional, technical and other audit related expertise with other audit organisations and public sector bodies from other countries. We endeavour to recover our costs when ever possible when sharing our experience and expertise.

The following report on expenditure for international travel highlights those occasions when costs are incurred by Audit Scotland.

Note: Some or all of these costs may be recovered, where this is the case we will show this in the report.
