Introduction

1. Audit Scotland is a body corporate established under section 10 of the Public Finance and Accountability (Scotland) Act 2000. It came into existence on 1 April 2000 under the Public Finance and Accountability (Scotland) Act 2000 (Commencement) Order 2000 (SSI 2000 Number 10(c.1)).
2. The Board of Audit Scotland consists of the Auditor General, the Chairman of the Accounts Commission and three other members appointed by the Scottish Commission for Public Audit, one of which will be appointed as Chair.
3. Audit Scotland's function is to provide such assistance and support as the Auditor General and the Accounts Commission require in the exercise of their respective functions and, in particular, is to provide them, or ensure that they are provided, with the property, staff and services which they require for the exercise of those functions.
4. Audit Scotland may impose reasonable charges in respect of the exercise of its functions. In determining the amounts of the charges Audit Scotland must seek to ensure that the total sum received in respect of the charges is, taking one year with another, broadly equivalent to its expenditure. Any expenditure not met out of sums received is payable out of the Consolidated Fund.
5. The Scottish Commission for Public Audit (SCPA), established under section 12 of the Public Finance and Accountability (Scotland) Act 2000, has the duty to designate an accountable officer for Audit Scotland. The SCPA has designated the Auditor General as the Accountable Officer. The responsibilities of the Accountable Officer are set out in section 18 of the 2000 Act. They are:
 - 5.1. signing the accounts of the expenditure and receipts of Audit Scotland;
 - 5.2. ensuring the propriety and regularity of the finances of Audit Scotland; and
 - 5.3. ensuring that the resources of Audit Scotland are used economically, efficiently and effectively.
6. All members of the Board and all employees, shall consider their business with diligence and with a view to the security of the property of Audit Scotland, avoiding loss, exercising economy and efficiency in the use of resources and conforming with the requirements of Standing Orders, Financial Regulations and the Scheme of Delegation.
7. The Board has made Standing Orders, these Regulations and a Scheme of Delegation to govern the operation of Audit Scotland. They should be read together.

52. An officer shall not add any additional items to an invoice rendered to Audit Scotland by a supplier.
53. When an order has been placed using the electronic purchase ordering (EPO) system, this process incorporates authorisation of the payment prior to an order being placed. In these circumstances the authoriser will be advised of the cost of the goods or services, or an estimate if a firm cost is not available, at the time they receive the EPO. Authorisers are required to satisfy themselves that the cost displayed is reasonable and represents value for money, before they electronically sign the order. Once an EPO is signed the system will not allow any changes to the order by the authoriser or the originator.
54. The EPO system maintains a list of staff with delegated authority to authorise expenditure, as per para. 51 above.
55. When the goods or services have been received the originator records the receipt through the EPO system.

The invoiced amount charged will be checked against the EPO submitted and, if the amount is within the parameters agreed by the Management Team, the invoice will be accepted and paid. (Scheme of delegation 3.10)
