

Electoral Register

Please refer to the council tax single person discount timetable on the [NFI: timetables page](#) for important dates and deadlines.

Requirements

- This data should be the ‘full version’ of the Electoral Register (not the commercially available ‘edited version’).
- Data must be password protected once extracted from the relevant systems. If required refer to Cabinet Office guidance showing how to [password protect data \(PDF document\)](#).
- The upload process involves automatic mapping of fields to the specification by field name recognition. However, if there are no field names within the extracted data, it will require the person uploading to manually map each field to the appropriate field within the specification on the NFI system. Therefore, it would be preferable to include field names within the data extract if possible.
- The Unique Property Reference Number (UPRN) field should be included in your submission if it is fully or part populated.
