Housing waiting list

Requirements

- Data submitted should meet this data specification i.e. include all field names
- Data should only be submitted via the Data File Upload (DFU) facility. This is the only acceptable method to supply data. If another submission method is used our policy is to inform the Director of Finance that data has been put at risk unnecessarily.
- Data should only be provided in relation to residential properties. Do not submit data for garages, sheds, etc.
- Data should be provided for all named applicants who are either actively bidding or eligible to bid for properties as they have been judged higher priority. The pilot showed that the best results from this data set were achieved when the data uploaded was limited to these individuals.
